Welcome!

Every effort has been made to ensure the accuracy and completeness of the information featured on this website. Itineraries are based on our best information at this time. Circumstances beyond our control may require us to adjust itineraries or other details. We regret any inconvenience this may cause and appreciate your understanding.

Registration

Register by calling 218-365-4695, ext. 21 or by visiting www.wolf.org. Registration two weeks in advance is preferred. However, there is a cut-off date for registration, which is typically a minimum of seven days before the day of camp.

Cancellation Policy

In some cases, the Center may be required to cancel a program if conditions arise that are beyond its control and adversely affects the well being of the trip members such as a natural disaster. In such a case, a full refund of the program registration cost is given.

We require a minimum of 4 participants. In case of cancellation by the Center, you will be notified if the program will be canceled.

Meals & Snacks

Meals are not included in registration. Please send a bag lunch each day with your child. Two snacks will be provided for children each day at camp. We want your child to have a positive experience at camp. Please be prepared by sharing any allergies or medical conditions needed prior to the start of camp. This way our staff can make sure our snacks are the best fit for your child.

Transportation

The Center will provide transport for any field activities during the program in a 14 passenger mini-bus.

Check-in and check-out for the program will take place at the Guest Services desk. Plan to arrive 15 minutes early on the first day to fill out a registration/health form for your child if you have not already sent one in. This form is a requirement for every child who participates in the program and a new one must be filled out annually. This information is important and will be kept confidential. If someone other than a parent will be picking up your child, please notify program staff at the time of check-in that day.
